Charge

Laundry Detergent for Micro-Fiber

CORE 3

Core 3: Personal Attention
Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Core 3: Experience
With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology
Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

DETERGENT

Charge
Laundry Detergent for Micro-Fiber

What is Charge?

A powerful laundry detergent specially formulated to combat the toughest soiling problems in Micro-Fibers. Micro-Fibers absorb a large amount of dead organic soils that can quickly make mops look dingy and old. Charge quickly penetrates deep into the fibers and causes a reaction that releases imbedded soils. In one wash, charge will quickly turn micro-fibers back to their original color and smell clean. Charge is also an excellent detergent for any laundry classifications.

Directions For Use:
DO NOT MIX WITH OTHER CHEMICALS
Before use, read product label and Safety Data Sheet.

This product is designed to injected into machinery with laundry-specific dispensing equipment.
Do not pour this product directly onto dry fabric.

Add the appropriate level of Detergent:
Light Soils: 2-4 oz.
Medium Soils: 4-6 oz.
Heavy Soils: 6-8 oz.

Tech Specs:

Color……................Clear
Fragrance…...............Fresh
Form.........................Liquid
Phosphates.................None
Flash Point……..............NA
pH.....................................9.5
Specific Gravity..1.03 g/m^3
Viscosity...............Moderate
Foam….................Moderate
Biodegradable….........100%
Shelf Life.....................1 Year

Available Packages	
2524-4	4x1 Gallon Case
2524-5	5 Gallon Plastic Pail
2524-15	15 Gallon Plastic Drum
2524-55	55 Gallon Plastic Drum
