

Formula 74

Limestone Cleaner

CORE 3

Core 3: Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Core 3: Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

STONECARE

Formula 74

Limestone Cleaner

What is Formula 74?

Used by professionals to restore a new appearance to dirty, discolored limestone, poured concrete and walkways, precast or poured aggregate, travertine and more. It contains no hydrofluoric acid, cleans without leaving yellow stains, and will not etch glass. This product will safely remove atmospheric dirt, mildew, rust, and many other surface stains without risk of bleaching or discoloration. This product also works well to remove rust and oxidation from aluminum.

Benefits:

- Easy to use one step cleaner.
- Special formulation does not need neutralization.
- When used correctly, this product is safer to use and will be less damaging than other conventional acids.
- Will not etch glass.
- Non-fuming formula.

Instructions:

Before using, make sure that the desired surface is cool to prevent early evaporation. Read MSDS and test in a small inconspicuous area.

Recommended dilutions are 1:5. For heavy applications, use straight. Consult your local Syntec Representative for specific use instructions.

Available Packages

1203-275	275 Gallon Tote000
1203-55	55 Gallon Plastic Drum
1203-30	30 Gallon Plastic Drum
1203-5	5 Gallon Plastic Pail
1203-4	4 Gallon Case

Tech Specs:

Color.....Clear
 Fragrance.....Faint
 Form.....Liquid
 Phosphates.....None
 FlashPoint.....212F
 pH.....1-2
 Specific Gravity.....1.07
 Viscosity.....Thin
 Foam.....Low
 Biodegradable.....100%
 Shelf Life.....1 Year
