*Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.*

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

# DETERGENT

# Master Task

## Super Enzyme Detergent with Color-Safe Bleach

### What is Master Task?

A laundry detergent specially formulated to combat tough grease & oils by utilizing the power of oxygen bleach. Master Task is fortified with orange solvent and is effective on a wide range of applications. From athletics to Industrial linens, this amazing product will quickly loosen up soils and greases. It is also effective at lower wash temperatures.

### Benefits:

- Utilizes fabric-safe bleach.
- Free rinsing formula allows for quick, complete rinsing.
- Concentrated formula allows for lower cost per load.
- Controlled foam for HE applications.

### Precautionary Statements:

For institutional or commercial use.

### Directions For Use:

Separate laundry into different classifications.  
Add the appropriate level of laundry to the machine.

**DO NOT OVER LOAD.**

### Add the appropriate level of Detergent for 50 lbs of laundry:

**Light Soils:** 3 oz.

**Medium Soils:** 5 oz.

**Heavy Soils:** 7 oz.

Make sure to use proper protective clothing when applying handling this chemical.
