Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

PRE-SPOTTER

B-Gone Grease & Oil

Heavy Duty Laundry Pre-Spotter

What is B-Gone Grease & Oil?

A powerful laundry spotter that has been specially formulated with emulsifiers, alkali builders, and solvents to quickly penetrate, breakdown and remove heavy duty petroleum stains.

Benefits:

- Loosens tough embedded oils.
- Free rinsing formula.
- Extremely versatile product.

Precautionary Statements:

For institutional or commercial use.

Spotting Board Instructions:

Check all fabrics for colorfast before using!
Apply directly to stain. Work in thoroughly until stain loosens. Flush with wet steam, then dry with air gun.

Laundry Instructions:

Apply directly to stain, and let stand for at least an hour (the longer, the better).

Wash in hot water, 140 for colors and 165 for whites.

Dry Cleaning Instructions:

Apply directly to stain.

Laundry through a dry cleaning machine.
