CORE 3

Core 3: Personal Attention

Every customer requires special attention and has their own demands put on them. Our staff will design and implement a program designed to fit your needs.

Core 3: Experience

With our full staff of formulators, chemists, & marketing professionals we have been bringing cutting edge products to market for over 70 years.

Core 3: Technology

Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

DISHWASHING

Novel Pot & Pan

Premium Pot & Pan Hand Dishwashing Soap

What is Novel Pot & Pan?

A premium pot & pan detergent for manual applications. A mild, low pH detergent that is easy on hands. Leaves them silky and smooth. Premium concentrate that may be used on all types of soils and surfaces. This free rinsing formula whisks away with a minimum of water spotting. The high sudsing surfactants produces long lasting, billowing suds that cut through the toughest greases.

Benefits:

- Produces a robust foam.
- Highly viscous product.
- Built for use in hard water applications.
- Removes heavy greases and oils from dish surfaces.
- Contains lotions to prevent hands from drying out.
- Pleasant apple orchard scent.
- Offers high use yields.

Use Instructions:

For dishes, glasses, silverware & other eating utensils: Use at 1/4 to 1/2 ounce per gallon of warm water. If unusually heavy soil conditions prevail, increase the amount up to one ounce per gallon.

For pots, pans and baking units: Use at 1/2 to 1 ounce per gallon of warm water. This heavy concentrate is recommended to increase the speed of cleaning.

For general surface cleaning: Use up to 1 ounce per gallon. First sponge surface then rinse with water. Do not allow surface to dry before rinsing.

Tech Specs:

Color.....	Green
Fragrance.....	Citrus
Form.....	Liquid
Phosphates.....	None
FlashPoint.....	212°F
pH.....	7-8
Specific Gravity.....	1.02 g/m ³
Viscosity.....	Moderate
Foam.....	High
Biodegradable.....	100%
Shelf Life.....	1 Year

Available Packages

2856-4	4 Gallon Case
2856-5	5 Gallon Plastic Pail
