### *Technology*

*Through daily contact with industry professionals, we are continuously updating and improving our products to make sure you perform at your best.*

Synthetic Labs offers industry-leading solutions for businesses and professionals who demand exceptional results.

# DRYING AGENTS

## Desert Dri

Multi Purpose Drying Agent

Forces Water To Break From Surfaces

### What is Desert Dri?

A premium concentrated drying agent and spray wax with added fragrance for increased customer satisfaction. This product will deliver quality beading and drying at an economical dilution. Hydrophobic drying aids repel water to quickly dry vehicle surfaces. Desert Dri enhances any wax or sealant coat for improved longevity with a high-gloss shine. Versatile enough to be used in almost any car wash application. Available in a variety of fragrances.

### Product Use Benefits:

- Economical use.
- Scented for added customer satisfaction.
- Water beads almost instantly from surfaces.
- Can be used in any wash system.

### Use Recommendations:

- Tunnel or Conveyor Systems
- Automatic or Rollover Systems
- Manual Applicators

### Dilutions:

Tunnel Wash System:	1:150-1:300
Automatic or Rollover:	1:150-1:300
